Home - Oraseya Home Portfolio People Sandbox Resources News Contact ` Early investors. Empowering partners. At Oraseya Capital, the venture capital fund of DIEZ, we are committed to fostering innovation and driving the growth of early stage startups in the UAE and beyond. Pitch to us Who We Are Based in the vibrant and forward-thinking city of Dubai, our venture capital fund is dedicated to identifying and investing in promising startups at various stages of their journey, from pre-Seed to Series B. Dubai's dynamic and nurturing ecosystem serves as the ideal launch pad for innovative businesses to thrive. By leveraging our extensive network in the local and regional startup community, we aim to empower and enable founders to seize exceptional opportunities for growth and success. Dr. Mohammed Al Zarooni, Chairman Our Investment Approach We invest across sectors and stages, from pre-Seed/Seed to Series-A & Series-B UAE-centric: we support startups with an existing tie to Dubai and the UAE We back exceptional founders and inspiring teams with excellent execution and decisiveness We emphasize on customer validation: we believe great companies are built around their customer s needs Founder-centric Ethos: we understand the founder's journey; their vision drives us Active engagement: We actively engage through regular check-ins, strategy sessions, and introductions We have invested in these verticals Putting People First "We are more than just investors. Our passion lies in working hand-in-hand with founders, sharing insights, navigating challenges, and preparing for success. Julien Plouzeau, Partner Meet The Team Our Portfolio Companies include Previous Next See all our portfolio companies Founders feedback Aahan Bhojani Chief Executive Officer "The Oraseya team are truly value-add partners. Their strategic guidance and ability to connect diverse networks of builders in the region distinguishes them from many capital partners." Stefano Fallaha Chief Executive Officer "Many funds claim to be founder-friendly; Oraseya proves it with action. Their belief in our vision, and consistent support have made them true partners. Together, we re accelerating growth and laying the foundation for Podeo's global scale." Khaled Zaatara Chief Executive Officer "They were amongst the first investors to believe in VUZ, which laid the foundation for our global triumph and was instrumental in shaping our current success to build a global success story and get to where we are today." Renaud de Gonfreville Chief Executive Officer It goes far beyond funding; they truly understand our challenges and offer strategic guidance that has been instrumental in our growth. Salem Abu Hammour Chief Executive Officer We're proud to be backed by Oraseya. Their genuine belief in our mission has propelled us to new heights by opening doors to prospective and new customers Previous Next Aahan Bhojani Chief Executive Officer "The Oraseya team are truly value-add partners.
